Little Billy and Old Dominion Run
a Dead Heat in the Second.

First Race Only an Exercise Gallop
for High Point Belle.

Ed Kearney and Wernberg Also Win
at St. Asaph.

(Special to The Evening World.)
RACE TRACK, ST. ASAPH, Nov. 16.
—Magnificent weather prevailed to-day
at the St. Asaph course and the attend-
ance was about the largest of the meet-
ing, the ladies being out in force. The
scratches were not too numerous, which
insured good sport, while the track was
in splendid condition.

So good has the bookmaking been that
twenty-three pencils weighed in, all
anxious to get a slice of the public's
money.

The first race brought out a fast lot
of two-year-olds. High Point Belle has
been showing some wonderful form here
and she was made favorite. Enough
money went on Punch and Doggett,
however, to insure good odds on her.
High Point Belle fairly flew away
from her field when the flag fell, and

opening up a big gap, won in a canter.
She ran the half-mile in 0.48.1-2, which
is the best time ever made on this
track.

A good field of platers faced the starter
for the second race. Speculation was
confined to Little Billy and Old Dominion,
the former being the most of the
backing and closing a strong favorite.
He was quite sure before the race, and
had some difficulty in keeping up with
his field the first part of the route.

At the end, however, his superior
class told, and despite his inferiority,
managed to make a dead heat with
Old Dominion, who looked like a sure
winner at one time. Little Billy pulled
up very lame after the race, as did
Old Dominion.

The conditions of the race were selling,
and the horses were ordered to be ready
to run the last twenty minutes after
the last regular race.

FIRST RACE.
Selling; half a mile.
High Point Belle, 106 (Graham) 1-2 3 4 5 6 7 8 9 10

Tartan, 97 (Dunn) 1-2 3 4 5 6 7 8 9 10

High Point Belle went away like a shot,
opening up a big gap led to the end,
winning in a romp by six lengths. The
winner was second to the last half furlong,
when he was passed by Doggett, who secured
the place from him by three parts of a
length. Time—0.48.1-2.

SECOND RACE.
Six furlongs.
Old Dominion, 106 (Graham) 1-2 3 4 5 6 7 8 9 10

Senator Fox shot to the front at flag-
fall and led to the far turn. Old Domi-
nion then moved up from second place
and showed the way to the last
stride, where Little Billy got up in
time to make a dead heat with the last
winner on the post. Westchester was
third a length and a half away. Time—

PARK Supt. PARSONS TALKS.
Says Engineers of Construction
Were Most Essential to Works
of Improvement.

It has been noticed in the lists so far
published in "The Evening World" that
the employment of engineers of con-
struction figure conspicuously. A re-
porter called on Park Supt. Samuel Par-
sons, at the Arsenal yesterday after-
noon, and asked him add to the duties of
the engineer.

"It is Mr. Kellogg's department,"
he said. "He is the chief engineer, and
the men under him are all skilled. Their
work is absolutely necessary in arrang-
ing for the construction of the park, and
they are the men who are laying out
work for the laborers to do."

QUAKERS EXCEPTED, GOODWIN A WINNER.

Concession to the Philadelphia
Baseball Club.

Receipts to Be Divided Under Rule
of "Shilling a Head."

"New Association" Comes in for
Official Attention.

The third session of the National
Baseball League Convention opened to-
day at the Fifth Avenue Hotel with
President N. E. Young in the chair.

The attendance was nearly as large as
that at the other meetings. The only
absence of any note was Chris Von
der Ahe.

Col. Rogers emerged, smiling, from
Parlor F at recess. He denied the re-
ports of his linguistic and loquacious
efforts, but said he had accomplished a
big thing for Philadelphia. It seemed he
had succeeded in convincing the League
that there was a distinct relation be-
tween the fire which destroyed the
Quakers' grand stand last summer and
the new rate of division.

The argument was accepted to and a
resolution adopted by which Philadel-
phia will pay on the old basis of
12.5 cents for each person on the
grounds for the next four years. Ac-
cording to Col. Rogers, it will take that
length of time to recuperate.

Before adjourning for recess the League
officials passed a resolution regretting
the death of P. J. Donohue, news of
which had reached them through "The
Evening World." The resolution ex-
pressed their sympathy for the family
and honest criticism of their branch of
sport, and conveyed the sympathy of
the League officials to the bereaved
family.

Although it was expected that the
"new Association" would not be accorded
the dignity of consideration, it is evi-
dent that the action of the League
in for a share of the discussion behind
the closed doors. This afternoon a meet-
ing was held by the Quakers, and their
appointed to draft a resolution to be
given to the public.

Justice Van Brunt called attention to
the fact that every tribunal, except the
Police Board, before which Goodwin
has taken his case, has decided that the
resignation was obtained by duress and
fraudulently altered.

The opinion states that it is no de-
fense in this case to say that if Good-
win had not resigned that he would have
been removed by the Commissioners any-
how.

DEATH TO EASE PAIN.
An Old Citizen of Fredonia, N. Y.,
Hangs Himself in His Woodshed.

(Special to The Evening World.)
DUNKIRK, N. Y., Nov. 16.—Ellas
Forbes, an old and much esteemed citi-
zen of Fredonia, committed suicide by
hanging himself in his woodshed this
morning. He was seventy-
six years old, and had been troubled
for several years with rheumatism and
other ailments.

When he arose this morning he com-
plained of pain and weakness.
His wife, who found him in the
woodshed, was horrified. She was born
in Green, Chenango County, N. Y., but
came to Fredonia, N. Y., where he was
employed as a carpenter. He was the
father of two children, Kosciusko, of Buffalo,
and also two children, Kosciusko, of Buffalo,

and Mrs. Charlotte Kingsland, of Fredonia.
Mr. and Mrs. Forbes celebrated their
fifty-second wedding anniversary
a short time ago.

victed in the Court of Oyer and Ter-

Considering the Garbage Question.
The Garbage Commission held another meet-
ing this afternoon at the Army Building, and
the decisive report was discussed. Final action
will be taken on it Monday, and it will then be
sent to the Mayor. President Charles D. Wilson,
of the Board of Health, says the Board will not
be in a position to take any action on it until
the fall, but will suggest the adoption of
a method in use in another city.

Another Murderous Gas Jet.
(By Associated Press.)
CHICAGO, Nov. 16.—President Bush and
Secretary McMillan, of the A. R. U., appeared be-
fore Judge Granger, of the United States Dis-
trict Court, today, to plead to the indictment
returned against them for conspiracy in con-
nection with the great railway strike. Being in
the absence of Judge Woods the case was continued
to-day.

Sixty-nine of the men indicted were in court to-
day.

THE SEVENTY TAKE ACTION.

They Demand the Trial
of Delinquent City and
County Officials.

RESOLUTIONS ARE ADOPTED.

And a Committee of Three Ap-
pointed to Wait Upon
the Governor.

A SHOT AT COL. FELLOWS.
Tammany May Save the District
Attorney's Office by His
Resignation.

The General Term of the Supreme
Court last afternoon handed down
a decision directing the Board of Police
Commissioners to reinstate John W.
Goodwin as a roundman of the Police
Department.

The opinion is written by Justice Van
Brunt and concurred in by Justice
O'Brien. Justice Follett dissented.

Under this decision Goodwin will have
a claim against the city for his full
salary from August 15, 1899, the date he
left the force. This, with interest and
costs of litigation, will amount to nearly
\$10,000.

Goodwin became a policeman June
29, 1882. He alleged that while he was
attached to the Oak street station, Aug.
13, 1899, Capt. Carpenter, since resigned,
and Sergt. Megan obtained a resigna-
tion from him by force and threat.

He took his case to the courts, and
it has been in litigation since. The
courts have made several decisions in
Goodwin's favor, but the Police Board
has persistently refused to reinstate
him.

In his opinion, Justice Van Brunt
says that he does not agree with Jus-
tice Follett, that the Statute of Limita-
tions has run against Goodwin, to re-
vive the action of the Police Commissioners.
He says that the action is especially
aimed at the District Attorney.

The language of the resolutions passed
showed that the action is especially
aimed at the District Attorney.

Resolved, That the Governor be and he-
reby is requested to require the Attorney-General in
person, or by one of his deputies, to attend a Court
of Oyer and Terminer, duly appointed, to be held
in and for the city and county of New York, on the
first Monday of December, in the year of
our Lord 1899, and to appear in person, or by
deputy, before the Grand Jury thereof, for the
purpose of managing and conducting in such
court and before such Grand Jury the following
criminal action and proceeding, viz:

First—All criminal action and proceedings in-
volving or relating to the misconduct in office
of public officers of every description in the
city and county of New York, and it was further
resolved, That Messrs. Joseph Laroque, mem-
ber of the Executive Committee of the Committee
of Seventy, and John W. Goodwin, mem-
ber of the Committee of Seventy, be and they are
hereby requested to wait on the Governor and pre-
sent to him the foregoing resolutions, and take
such further action as may be deemed proper
to carry out the objects contemplated by said
resolutions.

After the meeting, Mr. Laroque said
that he had called upon Gov. Flower at
the Executive Mansion, and had presented
the resolutions to him.
